<b>9</b>	<b>9</b>	<b>8</b>
<b>10</b>	<b>10</b>	<b>4</b>

Further, the following shall be considered while allocating points in regard to the Indian ranking keeping in view of their world ranking.

**NEW PROPOSAL:**

<b>S. No</b>	<b>World ranking bracket</b>	<b>Domestic tournaments</b>
<b>1</b>	<b>50 and below</b>	<b>Considered for direct selection to Indian team- optional to play domestic events</b>
<b>2</b>	<b>51-60</b>	<b>Best 1 (Any zone or Nationals)</b>
<b>3</b>	<b>61-75</b>	<b>Best 2 ( 1 zone + Nationals)</b>
<b>4</b>	<b>76-100</b>	<b>Best 3 ( 2 zones + nationals)</b>
<b>5</b>	<b>101-125</b>	<b>Best 4 ( 3 zones + nationals)</b>
<b>6</b>	<b>126-150</b>	<b>Best 5 ( 4 zones + nationals)</b>
<b>7</b>	<b>151 &amp; above</b>	<b>Best 6 ( 5 zones + nationals)</b>

**\*\* Zones mentioned here will also include the Inter-institutional championships.**

**\*\* The cut-off date for world ranking consideration to play the minimum number of required domestic events will be based on the latest world ranking published just before the start of first domestic**

event of the season.

**\*\* Whereas latest Indian ranking & world ranking to be taken into account for points allocation in the overall process of team selection.**

**\*\*Formula to equate between players and arrive at the domestic points as every player will have variable mandatory domestic events:**

**Player domestic points = Total Points accumulated by a player from his or her required best performances / Number of mandatory tournaments required for the player**

1. The above measure will keep in check that players play the minimum number of domestic events as well maintain their Indian ranking according to their world ranking, and at the same time encourage players with high world ranking to participate in more international events and improve their world ranking and in turn help for the ranking of Indian teams overall to improve.

It will also balance the workload between domestic events and international events which is a practice in many other top table tennis playing nations and also in other sports.

## **2. Tie Situations:**

- 1) In case, two players fall in same world ranking bracket and also are having same Indian ranking, then the person with higher world ranking can be selected.
- 2) In case, in a rare scenario, two players are having exactly same singles world ranking & Indian ranking, then a person with high doubles ranking (in view with importance for team) can be considered.

## **3. Important Note: The world ranking cut off deadline for the selection of team for Commonwealth Games 2022 will be April 30th, 2022.**

Your comments on the above selection and ranking criteria are invited on or before 20<sup>th</sup> April 2022. Please send your comments at: [manager@tffi.org](mailto:manager@tffi.org)
