

This year based on the complain by one of the parent against age fraud , CBI after thorough investigation have sent their findings on the defaulted player and recommended to impose penalties.

TTFI have decided the following penalties:

- (a) The Executive Board decided to ban Bengal's Oishwarya Deb, Suthirtha Mukherjee and Priyadarshni Das for two years i.e., till the 2016 Nationals and also a fine of Rs. 25000 each for being found guilty of serious age fraud. The amount collected would be used for development. Additionally, the Table Tennis Federation of India will also be writing to their employers to take appropriate actions besides TTFI stripping them of all their National and International titles.
- (b) The fourth Player Ms. Ayhika Mukherjee was also probed by the Sport Integrity Cell of CBI but found that the player had not derived any benefit unlike the other three players. Ayhika too had two dates of Birth Certificates but she was competing in the right age group events and was not found to have taken any advantage by the probe panel. Accordingly, it was decided to let her off with this season's ban (one year) and no fine was imposed on her. In other words, Ms. Ayhika Mukherjee will be eligible to play from next season 2015.
- (c) Under the amnesty clause all those players admitting their follies and declaring correct dates of birth by 25<sup>th</sup> Nov, 2014 will be punished with the withdrawal of titles, if any , only. Accordingly, North Bengal, West Bengal and Assam (**See list below**) have come forward and voluntarily disclosed their correct date of birth. It was decided to allow these players to play from next season but their titles, if any, will be withdrawn.
- (d) It was also decided that in future any player found to be having more than one date of birth certificate will face two year ban, withdrawal of all titles and a fine of Rs. 50,000/-
- (e) It was also decided that TTFI will be making amendments to the guidelines on registration of the birth certificate as per Registration birth and Death Act, 1969. This was a suggestion from the Sport Integrity Cell of CBI and accordingly it was decided that TTFI will be amending the guideline on the issue and also TTFI would insist on players that have registered his or her birth date one year after, should obtain judicial order from the first class Magistrate.

TTFI have revised their guidelines on registration of birth certificate which will be strictly followed.
